

## Letter from Your District Governor

*My fellow Lions, Lioness and Leos,*

*I'm proud to be able to serve as your district governor of 14-L. We can be proud of our past accomplishments in the service to the citizens in our communities. We need to challenge Lions to make a commitment and take action.*

*International President Wing-Kun Tam's theme this year is "I Believe". He believes we can make a difference in the world, if we work together as Lions. Believe changing a life starts with each one of us.*

*My theme for this year is "Get on Board". We need to do this by building our clubs. The Motto "We Serve" may seem old, but it is as true today as it was in the years past. The strength of our clubs is achieved by building our membership. We need to offer orientations, getting members involved and enlarging the Leo's program.*

*Lion Anna and I are looking forward to this year. Thank you for taking the call to help to serve as Lions.*

*Yours in Lionism,*

*Dennis K. Clark  
District Governor*
